Experience

Teleperformance - Content Moderator
Hydrabad, India
05/2024 - Current

- Highly detail-oriented and results-driven professional with 8 months of experience at Teleperformance, specializing in comprehensive video content review and in-depth product evaluation. In this role, I am responsible for thoroughly examining video content across various platforms to ensure it meets strict quality standards, aligns with product specifications, and accurately represents the features and functionality of the product being reviewed. My daily tasks involve reviewing videos to ensure they adhere to company guidelines, are free from errors, and clearly convey the product's benefits to customers.
- Skilled in assessing both the visual and functional aspects of products, I provide valuable feedback based on detailed evaluations of product features, performance, and presentation. My expertise in identifying any discrepancies, inaccuracies, or areas for improvement allows me to ensure that all content accurately reflects the product's capabilities, ultimately supporting customer satisfaction, and enhancing brand reputation. I work closely with cross-functional teams to communicate key findings, offering actionable insights that contribute to ongoing product improvement, and refining video content for maximum effectiveness.
- With a keen eye for detail, I ensure that product videos are not only accurate, but also engaging and informative, tailored to meet customer expectations. I excel in fast-paced environments, managing multiple tasks while maintaining a high level of accuracy and consistency. Additionally, I collaborate with team members and stakeholders across departments to implement continuous improvements, and ensure that every product video supports the company's mission of delivering exceptional customer experiences.
